

Organ Concert

**Our Saviour's Lutheran Church
1015 Veneta
Bremerton, WA**

April 22 at 3:00 p.m

We will hear the artistry of Dr. Philip Manwell who is currently Professor of Organ Studies at the University of Nevada, Reno. Dr. Manwell has developed The University's program in Early Organ Music and he especially enjoys playing the Cook organs similar to our organ at OSLC.

Dr. Manwell earned Bachelor and Masters degree at Julliard and received his Doctorate at the University of San Francisco.

For nearly 25 years Dr. Manwell was also Professor and Chair of the Humanities program at Las Positas College in Livermore, California during which time he made many presentations dealing with Multicultural Education.

Dr. Manwell comes to OSLC supported in part by a Faculty Performance/Travel grant and this Concert is free and open to the public.

Please mark your calendars and spread the word. We hope to have a wonderful attendance for this very special event.

Our Saviour's Lutheran Church is sponsoring this FREE organ concert as part of our celebration of 125 years of service to the Bremerton area!

There will be a reception following the concert.

Donations will be accepted at the door
